Milestone D Status

yellow, 2 orange, 1
red, 4
green , 32

Projects in "red" status
- No report from 3 projects (DPACC, Moon, Policy Test)
- VNFFG code development is done upstream plus resource limited for testing/debug

OPNFV

Moving Towards Milestone E Status

red, 4

orange, 4

green, 18

yellow, 13

Main concerns/issues
- Availability of lab resources
- Integration with key projects (e.g. installers, releng, Octopus, etc.)
- Resource availability over the holidays

12/9/15
